

AP Test Information 2017

1. AP testing is May 1st – 12th. Times: 7:45 and 12:00. Students riding the bus need to make alternate arrangements for transportation on their testing days.
2. The cost is **\$93** per exam. Payments can be made from Feb 6th through the 10th in the SAC during all lunches. We will then post a list in all AP teacher classrooms for students to check their order. Any changes or additions can be made on March 2nd. Please make sure your order is correct. Financial aid is available. Contact Mrs. Henry to see if you qualify. Taking multiple tests is not a reason for financial aid.

Method of payment: Cash, Check, or MC/Visa. All students must fill out an order form, which will also be your receipt. Order forms will be available in the SAC during the February payment window. All payments can be made during all lunches in the SAC. Students may pay for all tests with one check. Families with multiple students taking exams may pay with one check.

Checks need to be made out to GHS.

3. The College Board charges fees for returned exams and any orders placed after the deadline will cost more...the closer to the test date, the more the added fee will be.
4. In order to use accommodations on your exam, students must request and receive approval from the College Board Services for Students with Disabilities. See Mrs. Farris, GHS Counselor to apply for accommodations. The College Board deadline for application is February 17th. You must be on the College Board's Special Accommodations list to receive accommodations regardless of whether you have 504 or SpEd accommodations.
5. Late/alternate testing is available only under a few specific circumstances, such as school sponsored event, religious holiday, and doctor documented illness. Alternate tests are given on specific dates and times just like the regular AP test. If you have a conflict with a test, see Mrs. Henry as soon as you know of the conflict so we can get an alternative test ordered for you. If something happens during testing see or email Mrs. Henry immediately to make alternate plans. Alternate test dates are the week following regularly scheduled AP exams. Depending upon the reason for missing the test, some fees may apply.
6. We will have a pre-coding session at the end of April where Mrs. Henry will give you specific details about the testing – where to go, what to bring, etc., and you will fill out a bubble sheet and candidate pack. If you miss this meeting you will need to go by and see Mrs. Lynch in the front office prior to your first test.
7. If you do not take the AP exam, you are required to take a district exam, which will count as your semester exam grade. If you had Government 1st semester, we will go back and change your grade to reflect the district exam. This testing will take place on a different day and time from the AP exam. Mrs. Henry will let you know that schedule in May. This test is an actual AP exam with multiple choice and free response with the same time length as the regular AP exam.
8. Any questions, concerns, or requests need to be directed to Catherine Henry, GHS Assistant Principal. The best way to reach her is via email: catherine.henry@gcisd.net.
