

Dear CTMS Parents,

The new road will be open February 5, 2008.

**Please remember the following suggestions for its use:**

1. The new road is for exit only. You may turn left or right onto Pool Road from the new exit road.
2. The current exit road by the Swim Center will remain the same except that you may turn either right or left out of the left hand lane onto Pool Road.
3. If you drop off your student in the SAC area, please exit the CTMS campus by the new exit road.
4. If you drop off your student by B Hallway, please exit the CTMS campus by the current exit road.
5. We are continuing to leave the gate to the high school parking lot open until at least 7:30 a.m. each morning to give you another exit option.
6. Please do not use the Band Hall parking lot as a drop-off area.
7. The front drive will continue to be for visitor parking only and will not be used as an area to drop-off or pick-up students for the 20 minutes before and after school.
8. As you are dropping your students by the entrance to the SAC, please pull forward as far as you can so that more cars can be in place to unload students by the SAC doors!!

Here's hoping this is a help to our traffic at CTMS!!

Linda Tidmore

Principal
