

Dear CTMS Parents,

Sorry to be a little late with my email but I was away all weekend with our Future Problem Solving and Community Service Project Teams at the FPS State Bowl in Austin. All 4 GCISD middle schools were represented from their G/T classes. CTMS had a great weekend! First of all our Community Service Projects were recognized on Friday evening with a plaque and individual medals. Sarah Bogan received a medal for her 2nd in state on her scenario writing at the intermediate level. Then on Sunday, Mrs. Moxley's FPS team composed of Hannah Lewis, Nikisha Sisodiya, Cameron Spear and Molly Smith were awarded medals for being in the top 10 for their work in the competition. Our kids were great and really led the way in cheering on any middle school in our district if they received an award!!
