

Dear CTMS Parents,

I cannot begin to describe how terrific the 8th Grade Banquet was on Saturday night!! Thanks to Becky Jordan and so many wonderful parents working on her committee, we had one of the best 8th grade banquets we've ever had at CTMS!! The decorations by Molly Holt and crew were beautiful!!! I'm always amazed at how our SAC can be transformed!! And please go visit Carrabas and tell them thank you from CTMS. They donated all of the food for the banquet!!! I know that my grandson had a wonderful time even with me there monitoring things from the stage!!! The DVD put together by Mr. Mapula was fabulous!! We also had a very funny production taped of our Boys Athletics staff. Then there was a great "going to high school" clip put together by Mr. Hahn!! And lastly, there were four of our former students who played a drumming set that was fantastic!! We are so lucky to have so much talent and dedication in our community. Thanks again to everyone for all of their work to make it such a memorable evening!!!

Our big news this week is our annual musical will be performed at last since starting production in February!! Please come see it! The performances are at Grapevine High School on Thursday and Friday evenings at 7:30 p.m. with a matinee at 2:30 p.m. on Saturday!! We hope that you will be able to see this year's production of "The Music Man, Jr." Tickets are now being sold in the office at the prices of \$5 for students and \$8 for adults!!

Please help 8th graders remember that money and forms are due for Burger's Lake by this Friday!! No exceptions!!
