Coming Soon

SPRING BREAK

March 14th—24th

Don't forget we have Monday, the 24th off since we didn't have a bad weather day.

Open House

How important is Open House to a child? Very! This is a wonderful opportunity for your child to show off their work and for you to get a peek into what they do all day. It is not a time for a parent /teacher conference. That can be scheduled later.

Please let your child take you around the building and tell you what they do in other parts of our school besides the classroom.

We look forward to see all of you on Thursday.

Congratulations

We want to extend congratulations to our Destination Imagination teams. They did great and all their hard work really paid off. Thank you to the team managers who spent countless hours helping the teams. You made Silver Lake proud!
